

# 2017 SENIOR REPRESENTATIVE OPPORTUNITY

## WHAT DOES IT MEAN TO BE A SENIOR REPRESENTATIVE?

As next year's high school senior, you will be representing me as a senior portrait photographer! You will receive a huge discount on your portrait session(s) and you will be asked to refer your friends and classmates to book their senior session with me.

How, you ask? You'll be provided with a free samples from your session, personalized representative cards, printed information, an online gallery of your best photos and some images to share online. But of course, one of the best ways to spread the word is just by talking about how awesome your shoot was and sharing your photos. You'll have all summer to refer as many of your friends as you can, and earn rewards for each successful referral.
